PROFESSIONAL SERVE PROFESSIONAL

6MM

SINCE 1998

We strongly believe that "Professional Serve Professional"
becomes critical in a drastic changing commercial world

Welcome to experience INOL Stone,
our quality and innovation will unlock more possibilities for your space.

INOL STONE  PROFESSIONAL
SERVE
PROFESSIONAL

**SUPERIOR MANUFACTURING:
TECHNOLOGY LEADING THE FUTURE**

Since the establishment in 1998, INOL Group has continuously improved manufacturing standards. Now we own a 500,000 square meter modern production base and 6 cutting-edge production lines, with a daily output of 120,000 square meters of slabs. We collaborate deeply with top international machinery equipment providers and technology specialists, continuously investing in frontier technology innovation, in order to meet our customers' need.

Since
1998

FACING THE NEW WORLD

GLOBAL VISION: DESIGN WITHOUT BOUNDARIES

The global competitiveness of INOL Group benefits from our international R&D team. The incorporation of Italian professional R&D team infuses our products with international design aesthetics and innovative concepts.

We are committed to meeting the needs of all target customers, pushing the possibilities of spatial art with superb design quality

OUR PARTNERS

STYLGRAPH is founded in 1984, the leader of ceramics design in Italy, with extensive international experience, advanced technology, high-level design and development services, has an outstanding reputation on the world.

Tecnografica founded in 1992, collaborating with the most prestigious ceramic companies around the world, is a company with strong belief that constant search for advanced technologies for the expression of Made in Italy.

Nitida is always willing to follow current design trend with the most advanced technologies, as well as developing original and creative projects. Constantly searching for stones and marbles by visiting the most important quarries to have best images.

Digital Design becomes one of the best design studios in the Sassuolo, continuously evolving to satisfy all type of need on the world with current design proposals.

INSTUDIO is a creative and diverse desian studio based on their extensive technical experience always able to design excellent project s for customers.

ENVIRONMENTAL PROTECTION AND SUSTAINABLE DEVELOPMENT

Responsibility and sustainable development are our core value, INOL Group adheres to the concept of environmental protection, always strictly follows ESG standards, and adopts an environmentally friendly production mode, inheriting the responsibility for the earth's beautiful future and the wellbeing of humanity.

CUSTOMER – TOTAL SOLUTION PROVIDER

We adhere to the principle of being customer-demand oriented. From custom design to precision manufacturing, well planned delivery, installation consultancy, project management, showroom design. Our professional team is dedicated to providing comprehensive, total solution to our target customer.

COUNTERTOP AND KITCHEN TOP

Kitchen tops, vanity tops and stairs made from a single piece of porcelain, creating a stunning visual and seamless design.

FURNITURE

The best answer to a big trend.
INOL stone is ideal for dressing up modern spaces and covering doors, tables, kitchen doors or living room furniture.
Choose your favorite decorating style in order to create a coordinated environment.
Marble, metal, stone and concrete become part of the interior design without any compromise
